

USAWC KEY STRATEGIC ISSUES LIST 2013-2014

4. Enhance the All-Volunteer Army

Continuous Objectives:

z. Maintain an Army that Embraces and Leverages the Diversity of Soldiers and Civilians

77) Senior Leader Diversity: The Army is behind in its initiatives to ensure a continuing stream of racial/ethnic representation in our officer corps. What policies are needed to address this concern? (JOINT CENTER FOR POLITICAL AND ECONOMIC STUDIES)

78) Examine the leadership challenges associated with the recent decision to allow women in combat units and the potential development of gender neutral standards. (Institute for Defense Analyses [IDA])

79) How does the Army change its human resource management to assess, develop, assign, and employ soldiers as individuals, not as generic soldiers?

80) Is suicide an Army or societal problem or both?

81) What issues emerge with the latest cohort of veterans? How does the treatment of veterans affect public opinion of the military?

82) What should the role of retired general officers be in partisan matters?

83) How can ROTC academic standards be adjusted to reflect the needs of the Army?
